Application for Membership

The Hernando Beach Yacht Club was established in 1978 and serves boaters and maritime enthusiasts of Hernando and surrounding counties.

Benefits of membership: *Boat ownership is not a prerequisite for membership!!* Our facility includes a spacious dining area, kitchen facilities, dance floor, and a full bar. We have nine boat slips that may be leased at very reasonable rates, depending on availability. Members may rent our Clubhouse for personal events at a greatly reduced rate. The facilities of hundreds of other U.S. Yacht Clubs are available through our reciprocity agreement with the Yachting Club of America.

Membership dinners are held on Wednesdays with Happy Hour beginning at 5:30pm and dinner at 6:30pm. Due to COVID, our current dinner schedule is reduced to no more than twice per month.

We are a not-for-profit organization seeking to maintain low cost of membership; hence we seek members who actively support the Club by contributing their talents to maintain our operations.

Questions regarding membership, Clubhouse rentals or dock slip availability should be directed to Commodore Ralph Kennedy. You may leave a message at the Club's main phone number at (352) 596-4830 and the Commodore or an assigned Club representative will return your call.

We have historically held four annual events which are open to the public:

- Blessing of the Fleet (early spring)
- Cardboard Boat Race and Taste of Hernando (fall)
- Murder Mystery Dinner (date varies from year to year)
- Christmas Boat Parade (December)

Boating activities have included trips to:

Tampa Bay, Cedar Key, St. Petersburg, Anclote Key, Coon Key, Homosassa

Social activities include:

- Formal Change of Watch
- Formal Commodore's Ball
- Day at Tampa Bay Downs
- Golf outings
- Christmas Party

The above activities are supplemented by other events hosted by various members. There is no end to the activities in which our members participate. Call – let us treat you to an introductory dinner – meet our members!!
